

- + poignée ergonomique
- + arbre moteur bagué en céramique

PERFORMANCE CURVE

Model: VIP VORT 180/6 A
Part Number: N2101090
Barcode: 8010583126082

Submersible pump for waste water with asynchronous single phase motor and integrated thermal relay. Power cable 10m H05 RNF with plug.

Applications

- drainage of cesspools, flood water removal and sewage transfer from sump.

Accessories

CHECK VALVE

PIPE KIT

Technical data:

Absorbed power:	480 W	Max.depth of immersion:	7m
Voltage:	230 V	Max.temperature of fluid:	40°C
Flow rate:	10800 l/h	Max.size of impurities:	25 mm
Max.Head.:	6 m	Start/Stop:	330mm/150mm
Rated Current:	2.1A	Weight:	4.2 kg
Pump body:	Polypropylene	Packaging dimensions:	23x19.5x32.5 cm
Delivery port:	41,90 mm (1"1/4 M)	PCS per pallet:	60
